

The Collinson Group is pleased to announce the creation of Collinson Insurance Brokers Ltd., a registered Lloyd's Broker.

This is a major step for the Collinson Group's Insurance division, as we are now able to provide an 'in house' Lloyd's service for our insurance needs meaning that we can provide a focused and efficient service to our clients worldwide.

Through this new facility we will be able to provide insurance products to group clients, with noticeable benefits for large volume products. In addition we will be actively seeking new business for the Lloyd's Broker in collaboration with Collinson Group offices around the world. Group chairman Colin Evans said "as a group we have a wide range of blue chip clients all around the world, and with commercial borders shrinking everyday it is clear that our clients need access to the worlds leading insurance market, and the flexibility and security that Lloyd's brings. Collinson Insurance Brokers can give them that access".
